SS304 WATER DISPENSERS

BLUENEST ELITE+ 100 NHC

Premium SS304 Normal, Hot & Cold Water Dispenser for Commercial Use

BLUENEST ELITE+ 100 NHC is a high-performance SS304 water dispenser engineered to deliver reliable hot, normal, and cold water for high-usage environments. Built with durable stainless steel construction and advanced cooling technology, it ensures hygienic, safe, and consistent water output. Designed for offices, hospitals, industries, and public spaces, the system offers robust performance, energy efficiency, and long service life. Its user-friendly design, low maintenance requirements, and optional RO/UV integ…

- High Purity Output
- Low Maintenance
- Energy Efficient
- Compact Design
- ISO 9001:2015 Certified

Technical Specifications

Normal Water Tank Capacity	20 L (LLDPE)
Cold Water Tank Capacity	20 L (SS 304-With PU foam insulation)
Hot Water Tank Capacity	5 L (SS304- with Thermal insulation)
Hot Water Temperature	85–90°C (thermostatically controlled)
Cold Water Temperature	8–12°C
Dispensing Taps	3 — Hot (red), Cold (blue), Normal (grey)
Compressor	Tecumesh- R134a refrigerant
Heating Element	Immersion heater, 1000W
MOC	Body SS 304

Drip Tray	Removable SS304
Indicator	LED — power ON/ hot ready / cold ready
Power Supply	230V / 1-phase / 50Hz
Power Consumption	Heating: 1000W | Cooling: 210W | Standby: 30W
Dimensions (L×W×H)	480*480*1400
Weight	51 kg (approx)
Warranty	1 year comprehensive (compressor: 2 years)
Standards	ISO 9001:2015 | BIS IS 14543 compliant

F Key Features

- SS304 stainless steel body for durability and hygiene
- Hot, Normal & Cold water dispensing system
- High cooling efficiency with branded compressor (Emerson/Tecumseh)
- Food-grade internal components for safe drinking water
- Energy-efficient operation with stable temperature control
- Heavy-duty design for continuous commercial usage
- Corrosion-resistant and long-lasting build quality
- User-friendly tap design with smooth dispensing
- Low maintenance and easy serviceability
- Optional RO / UV / Ozone purification integration

A Applications

- Corporate offices and IT parks
- Hospitals and healthcare facilities
- Educational institutions and colleges
- Hotels and restaurants
- Industrial and manufacturing units
- Public places and commercial buildings
- Railways, airports, and bus terminals
- Government institutions and offices
- Retail outlets and showrooms
- Large workforce environments
